

L AoE Display and Programming Board: how to order

REV; March 7, 2017.

You can order a board, at \$140. You can send a check to:

Gearloose Development
Attn: Tom Hayes
39 Cogswell Ave.
Cambridge, MA 02140

Please add Massachusetts tax of \$8.75 and shipping of \$8 within United States (total is \$156.75).

We include a 2X5 cable to link to the SiLabs controller breadboard; we do not include a USB cable (A:B).
